# MONTHLY H&S INSPECTION

The Amstel Club · Scan to start, walk it, sign it off

## SCAN TO START

Phone camera · no login, pick your name

1. **Walk every area and answer every line**
   Yes, No or N/A. Equipment cards (AEDs, first aid kits, extinguishers, hose reels, hydrants) have an All OK button. Read expiry and service dates off the tags.

2. **No = say what's wrong and take a photo**
   It goes straight into the defect register. Fixed it on the spot? Tick it and say what you did.

3. **N/A needs a reason**
   Only use it when the item genuinely isn't there or isn't due.

! **Anything dangerous: make it safe first**
   Tag it OUT OF SERVICE or block it off, then tell the duty manager. Sign off at the end with your finger.
