1. **Doing work on site? Induction first**
   Once a year, about 10 minutes on your phone. Have your public liability certificate, licences and SWMS ready.

2. **Every visit: sign in and report to your host**
   Deliveries and quick visits sign in too. High-risk work needs your SWMS given to your host before you start.

3. **Leaving? Scan again and sign out**
   In an emergency the sign-in list is the roll call. If you leave without signing out, people may go looking for you.
